Infrastructure datasheet

Identification	Title*:
	<i>Concise name</i>
	Acronym:
	Infrastructure class:
	Latest version:
	<i>Date of latest version (yyyy-mm-dd)</i>
	Key words:
	<i>Separate key words with a comma. Please don't use quotation marks</i>
	Manufacturer:
	Model:
Application	Description:
	<i>Describe in understandable terms what this infrastructure is designed for (max 15 lines)</i>
	Weblink:
	<i>Quote the hyperlink you can click on to reach the specific webpage about this infrastructure</i>
Accessibility & Support Service	Possibilities and limits
	<i>What are the main figured characteristics of this infrastructure? (i.e. flow, duration of one sample analysis, number of persons included within the panel, maximum volume of storage, etc.)</i>
	Certification
	<i>What official certifications has this infrastructure obtained and when? (i.e. ISO standards etc.)</i>
	Application fields:
Application	<i>What type of products can this infrastructure be used for? If possible, also mention products different that the ones you are used to work on.</i>
	Application examples:
	<i>On what products has this technology been used for? Use examples from your previous projects.</i>
Accessibility & Support Service	Access conditions:
	<i>Is this infrastructure open to external users or is it only a service?</i>
	<input type="checkbox"/> open to external use <input type="checkbox"/> only available as service <input type="checkbox"/> other
	Access conditions further comments:
Accessibility & Support Service	Location
	<i>Where can you find this infrastructure? Visiting and mailing address</i>

	Languages:
	<i>What language(s) is (are) spoken by the local users of this infrastructure?</i>
	Cost:
	<i>What is the cost to use this infrastructure?</i>
	Training:
	<i>Is a specific training necessary to use this infrastructure?</i>
	<i>If yes, is this training provided by the managers of the infrastructure?</i>
	<input type="checkbox"/> <i>specific training is necessary to use this infrastructure</i> <input type="checkbox"/> <i>training is provided by the managers of the infrastructure</i>
	Training further – comments:
Contact data	Technical help:
	<i>Is there a specific staff dedicated to this infrastructure?</i>
	<i>Is there staff that can help you use this infrastructure?</i>
	<input type="checkbox"/> <i>technical equipment</i> <input type="checkbox"/> <i>analytical specific staff is dedicated to this infrastructure</i> <input type="checkbox"/> <i>staff is available that can help to use this infrastructure</i>
	Technical help - further comments:
	Duration
	<i>What are the duration conditions of use of this infrastructure? (i.e. calendar, time part dedicated to other projects, maximum duration of use in a row, etc.)</i>
	Contact person:
	<i>Quote the professional data of the person in charge for the infrastructure.</i>
	Institute/company:
	Address:
	E-mail:
	Phone:
	Location coordinates:
